Monday & Tuesday.

Interesting facts about me....I have illustrated and written my first children's picture book, Hannah's Prayer For Peace. I have over 16 years experience working within school student support services. I work at MSS on Monday and Tuesday.

#### Chappy Update.

Term 4 has kicked off with Mental health week. As part of the activities, I provided Drumbeat sessions with Djembe drums for staff and students.

#### Community Partnerships.

Mudgeeraba Woolies donates fruit and loaves of bread for healthy snacks for hungry students. LightHouse Ventures with C3 Church are currently organising Christmas Hampers for MSS families.

#### What's coming up?

Term 4, I will be facilitating the In-Rhythm program with students which includes

tutoring students to play drums and boost self esteem.

The Rock & Water program for students which includes focusing on physical and mental/emotional, self control skills.

(Below photo) A big thank you to staff and assistant manager, from Mudgeeraba Woolworths provided a yummy morning tea for MSS staff as part of the R U OK Day.

This Christmas, C3 Church and Lighthouse Ventures are providing free hampers and on the morning of 29th November, cooking pancakes for staff, students and parents near the school tuckshop area as act of kindness.

Thank you to the people and organisations for your continued support. A special thank you to Mudgeeraba Uniting Church and Open Heaven Ministries for continued support for MSS chaplaincy.
